

# Access and Permitting Committee

## Committee Goals:

- To educate the AORE on the importance of permits, the process of permitting, and act as a guidance for the AORE members of who to contact regionally for permits and permit info. The committee will also work in the education of all land management agencies as to who AORE is and how large of a constituency we represent
- Goal 1:**
- The access and permitting committee stands to be a voice of involvement to the AORE and to various land management agencies. The committee is also committed to be a constant voice of input to the AORE in regards to access and permit issues
- Goal 2:**
- The committee is committed to bridge a relationship of stewardship and assistance with various land management agencies and the AORE. We also are committed to encourage the AORE B.O.D. to affiliate ourselves with the people who hold the power through representation at national meetings
- Goal 3**
